"I think it would be stupid for us to try and tell people who are dancing in a discotheque about the problems of the world.

That is the very thing they have come away to avoid."

- Giorgio Moroder

# POM-400 Modular Synth, Teenage Engineering

Moon shadow coming down  
While it's all a stormy, stormy night  
Oh, the sound all above  
Spinning me, hold me tight

- Halleluwah, CAN
